Thank you to the generous folk who cooked cakes and flapjack, acted as marshals, welcomers, technicians, caterers and administrators on the Cheshire Ride for Life NoW, they truly became the 'games makers' and contributed to the success of the event. Prayers for a successful and safe event were answered in full.

Congratulations, too, to those who completed their chosen route and had an enjoyable cycle ride. As well as raising funds for Life NoW we hope we have raised its profile. Several members of All Saints' pedalled their way around West Cheshire and are seeking sponsorship if you wish to further support the charity.

A Personal View from George Thomas, a founder and chair of Life NoW

*I've just viewed the 350 photos of the Cheshire – Ride for Life NoW 2016! I must say they filled me with pride because of what a Team of people from All Saints' have accomplished for Life NoW. What a remarkable feat! What a roaring success! And we know not the full extent of the impact carried by cyclists to their families, friends and organisations! I had a call from one cyclist about two weeks before the event who started raising sponsorship just 6 days before the event: viewed on MyDonate on 6.9.16 she has raised nearly £400! I am moved and inspired by what you have accomplished and so grateful. Thanks to ALL who contributed time, energy, skills and encouragement throughout this mammoth task. And especially to the Team led by John Lewis-well done! Well done, one and ALL! Every blessing upon you and your Church, **George.***
